

Glenariff Forest Park

Situated at the head of one of the famous Glens of Antrim this Forest Park has as its main attraction a spectacular Glen walk which has been attracting tourists since the end of the 19th century. There are numerous waymarked trails to mountain view points or along glensides.

Drum Manor Forest Park

Drum Manor is the most centrally located Forest Park, just three miles west of Cookstown. The Park has been developed by enhancing the best features of the old estate. Magnificent mature trees are scattered through open parkland which overlooks a series of amenity lakes. There is a trail adapted for use by less able visitors. A new caravan site was constructed in 1996.

Gosford Forest Park

This Forest Park near Markethill was for many years the home of the Earls of Gosford. Although not in a mountainous area it has many pleasant walks. The area has been designated a conservation forest and contains many interesting features including a heritage poultry collection, a deer park, rare long horned cattle and sheep.
